

No.6-Stores/NCDC/CIC/Patient Care Equipments/2011-12
Government of India
National Centre for Disease Control
(Directorate General of Health Services)
22-Sham Nath Marg, Delhi-110054.

Dated the

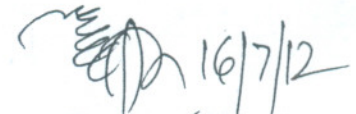

16 JUL 2012

CIRCULAR

Reference Circular No.6-Stores/NCDC/CIC/Patient Care Equipments/ 2011-2 dated 25th June, 2012 in which it has again been re-emphasized to all the Divisions/Sections that non-functional status of equipments costing more than Rs. 1 lakh must be sent to the Nodal Officer before 10th of every month for the purpose of uploading on NCDC website as per the directions of Hon'ble CIC. If no information is given by the Divisions before 10th of every month, it will be assumed that no equipment, (costing more than Rs.1 lakh) is non-functional in the particular Division. Stores Section has also given the present status report for the current month that no information has been received from any divisions regarding non-functionality of any equipment costing more than Rs.1 lakh.

In view of the above, we may request CMO, IDSP & Officer-in-Charge NCDC Website for up-loading the following information at the appropriate location on NCDC website.

“During the current month, no equipment costing more than Rs. 1 lakh became non-functional at this Institute. The status of the previous month remains the same”.

 16/7/12

(Dr. Arvind Rai)

Joint Director & Head(Bio) &
Nodal Officer
16.07.2012

Copy to :

1. All HODs – CARD, Micro, CMEVM, Epid., Helm., Zoonosis, Malariology
